13. The students learnt and utilized the field instructions for enhancing and integrating professional growth in Human Resource.

Field work practicum – I

Components:

1. Orientation
2. Practice Skill Laboratory
3. Observation Visits

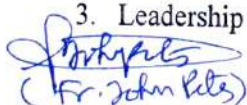

Learnings:

The Orientation Programme was provided appropriate direction to professional learnings. It involved in familiarizing the students with the problems of society, especially marginalized and weaker sections. They are made aware of the existing resource base available for their development and ways of mobilized them and motivated them to initiate work in the fields. The knowledge and skill base of the students is supplemented by the supportive field instructions given by academicians and field practitioners throughout the year.

Practice Skills Laboratory learnings

The Lab sessions provided the structured experiences to the social work trainees which provided an opportunity of “learning by doing” in a supervised environment. Learnings about the social realities, others and self is essentially through inputs, group experiences and simulation games. The lab sessions equipped the students with knowledge, attitudes and practice skills in keeping with social work values, beliefs and ethics. The students got exposed to rural realities existing in society, a critical analysis of such situations and the need to work towards human development. The lab consists of sessions on:

1. Communication skills and Interpersonal Relations
2. Analysis of Indian Society and Social Problems
3. Leadership and Personality Development

Block Placement / Internship: (After IV Semester Examination) -MSW II

The Department of social work allotted the MSW 2nd years for Block placement. After the satisfactory completion of concurrent field work during the two academic years and after the Final University Examination, the students of the MSW (Second year) were placed for Block Field Work for a period of 30 days for a full- time work in an approved agencies or project in or outside Tamil Nadu. The Department approves agencies / projects from amongst a large number of them, keeping in mind the availability of learning opportunities for the students.

The purpose of this Block Field work is to broaden the student's perspectives of development and welfare concerns, offer pre-employment work experiences and enabled him/her to assume professional responsibilities after the MSW.

Learnings:

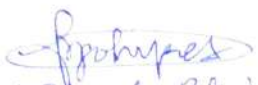

1. Developed and enhanced the practice skill and integrate learning
2. Developed the greater understanding of reality situations through involvement in day-to-day work
3. Developed the appreciation of other's efforts and develop sensitivity to gaps in the programme
4. Enhanced the awareness of self in the role of a Professional Social Worker.

Summer Internship - MSW I (After IInd Semester Examination)

The Department of social work allotted the MSW Ist year students for summer placement after completing the 2nd semester university examinations. In this internship students must often complete a practicum and it is a type of professional work experience that allow the students to study, observe, and document the performance of other professionals in the field. The Students should learn to know the speciality field that they plan to enter in the next semester. The Summer Field Work for a period of 30 days for a full- time work in an approved agencies or project in or outside Tamil Nadu.

Learnings:

1. Developed and enhanced the practice skill and integrate learning.
2. Developed the greater understanding of reality situations through involvement in day-to-day work
3. Developed the appreciation of other's efforts and develop sensitivity to gaps in the programme
4. Enhanced the awareness of self in the role of a Professional Social Worker.
