REPORT OF OUTREACH PROGRAMME

When ignorance accompanied with illiteracy, echoing in the village of Perungavur in Thiruvallur District, Malankara Syrian Catholic Trust bought 3 acres of land in Perungavur Village in the year 2019. There was no significant development in the village neither in the past nor in the present.

With full filial piety, Mar Gregorios College adopted the village. The institution cognizant of the village, decided to reform the people including children for a bright tomorrow.

The NSS has taken several measures for increasing the literacy rate especially among the young children. Public Health awareness is created among the people as a measure to awaken them from their outdated method of using toilet systems even in the 21st century.

The NSS team of our College distributed 5 kg of Rice bags per family for the needy people. Around 25 villagers collected and got benefitted. There was a session on moral storytelling by NSS Coordinator and Principal. The Storytelling in the form of fables grabbed the attention of the children and they became good and happy listeners. As a gesture of love, refreshments were provided to the children. The institution is also keen on providing employment opportunities for the youth.
