2		THERAS STEFINA J	Nice college to gain knowledge
3		JAYAKUMAR P	All teachers has to be jovial,please improve the toilet facilities.
4		SHARAN SWEETY J	Super college to improve your knowledge
5		SHIVAMANEESH S	Please clean the bathroom,
6		SOWMIYA R	Need much more attention from the faculties We need good guidance about our subject., Some staffs demotivate us...
7		Samuel Azariah J	Boys restroom should be clean and there is pblm in washing hands after using the toilet so kindly do the needful. Teachers like Prabhu sir,Janani maam and Felicet maam are so good in teaching and interaction with the students .Janani maam is the type of teacher students like to listen intrestingly , shes a jolly typed teacher she is good in interacting with the students she makes some humour in between to make the students engaging and maintain the students to follow proper discipline .All these things makes her a good teacher ,likewise every teacher should be kind,soft and should get angry only when it is necessary. Likewise students should be bold enough to tell the troubles to the teachers not scared of the behaviour or the outcome of the teacher.Canteen facility is amazing. Teachers should strictly watch the students maintain discipline in the campus.every week the college should conduct some competition for the benefits of the students,some students are not even able to read and write english so teachers should help those students and in my class there is a blind girl she really needs support of the teachers to study ,so teachers should take responsibility in helping her. Overall this is a good college but lacks in discipline i woul give 4/5 for the college and the teachers are amazing i hope more developments may take place and best wishes to the ppl who are involved in developing the clg for the future ;)
