The teachers working within the University of Madras area alone are eligible to be examiners for under-graduate examinations. If any member of your family (i.e. spouse, son, daughter, brother, or sister, is appearing for the examination in your subject in this University, you are NOT ELIGIBLE to value the answer papers.

You are requested to bring the necessary text books if required for the papers you have opted in the acceptance form for valuation work and also the BLUE/RED/GREEN ball points pens and refills. You should not use white-out for any corrections. Any corrections in the marks should be attested by the respective chief examiners. Your kind co-operation is requested in this regard.

I am to state that the valuation of answer scripts is a part of academic work as per the USC norms and the conditions of affiliation under Statute 44 of Chapter XVI of the University Calendar, failing which the matter will be viewed very seriously by the University and the same will be brought to the notice of the Director of Collegiate Education for further suitable action.

The Vice-Chancellor desires to draw the attention of all the examiners that complaints regarding valuation from the students and requests for rechecking/reevaluation were slightly on the higher side during the last examinations. The examiners are therefore requested to be extremely careful and help us to establish a zero complaint evaluation.

A Transparency system has been introduced from 2003. The photocopies of valued answer scripts are to be provided to the candidates. Therefore, the examiners are requested to be extremely careful while valuing the answer scripts.
