Respected Sir,

I wish to thank your good self whole heartedly for having spared your precious time to look into my grievance which I have brought your immediate attention on 06-02-2017.

As a student of this college it is my privilege to approach the higher level competent authority for remedy. Other than this I have no intension at all to hurt any individual in particular and the institution in general.

However in this context I would like to express my apology for the same incase if it appears like hurting the sense of an individual or the institution.

Therefore in this connection I request you goodself to kindly grant necessary permission to attend the classes as usual.

Since I do not wish to lose my second semester in this academic year and I do wish to concentrate on my studies. ~~Hence~~ the number of days that have been marked as absent may please be considered as present and necessary attendance may be given to such days as a special case.

Thanking you,

Yours Sincerely

Based on the complaint given by Dr. Shalini, we called Surekha and Preethi for an enquiry for taking video inside the classroom in the 4th hr on 19/9/18.

Surekha has given the mobile to Preethi to take a video, when the staff (Mr. Kalluraj) was there inside the classroom. When she was taking the video, Dr. Shalini saw it and went inside the classroom and seized the mobile from Preethi, who told that the mobile belonged to Surekha.

Using mobile inside the classroom is strictly prohibited. As it is against the rules and regulations of the college, the ^{enquiry} committee severely warned the girls and it also recommends to suspend them for 2 days.

Enquiry conducted for the students of I msw on
26.09.19.

The students of I msw had been to rural camp to Thaalampedu for 10 days. They returned on 22.09.19 at 4:40 pm. On 23.09.19, a student named Sebastian's father called the department teacher and said that he did not come back home. Feeling worried, the department teachers informed the Vice Principal and they called the absentees' parents. Being suspicious of Lija's and Susan's response, their parents' numbers were traced out and Vice Principal talked to them. The abovementioned students reported to college on 24.09.19. On enquiry with them, the following details were found out.

1. On returning from the camp, Sebastian, Lija and Susan went to Sebastian's friend Vipin's place in Asiad Colony, Annavagar between 22.09.19 evening and 24.09.19 morning. They did not inform their parents about this.
2. During the rural camp, the students have smoked cigarette and weed for atleast one day during the camp. (Names in the attached letters)
3. While talking to the Vice Principal, Susan and Lija, pretended to be their mothers and talked to VP as their mothers.

Initially I told that I stayed at Evangelinus ^{place} for 2 day and hence could not attend the college. But the truth is that I stayed at my friends place that is in Ariad colony, Anna Nagar. I confess that I was not truthful but this is the truth.

I flogged ~~as~~ and talked to the Vice principal as my parents and I confessed the truth. I asked 7000/- to my parents in the name of musical camp and I have confessed to my parent and said the reason for which I asked the money. ~~I stayed at Sebastian's friend's place~~ I stayed at Sebastian's friend's place for from Sunday evening till ~~Monday~~ Tuesday morning. I confess that I have done a big mistake and was not truthful to the college, Henceforth I will not do any mistake and I request to please let me continue the course. My parents are unaware of all this and I am responsible for all the mistake and I apologise. Please let me continue the course.
