Cluster Fest - 2017

REPORT

Cluster fest event was held on 23rd September 2017 to create a platform for students to understand application based learning and using their knowledge on practical levels. It facilitates the students to demonstrate an array of talents bringing out their creativity in the application of academic knowledge.

The programme was inaugurated by the principal. He emphasized on the importance of hard work and application based learning in the present day along with the importance of self-belief. By providing various examples, he urged the students to cultivate the healthy habit of thinking and creating for that is what the world is demanding outside.

This event displayed Stationery shop, Food stall, Garment shop, Imitation Jewellery shop and Cosmetic shop. 200 students participated and they were able to apply their theoretical knowledge into practicality, and that is exactly where the education system needs to succeed.

CORPSHOP 2018

"Give someone a fish and you will feed him for a day, tech someone to fish and you will feed him for a life time" – Lao Tzu

The **"Corpshop 2018"** took place on the **24th of August 2018**, it is a regularly conducted every year by the department of Corporate Secretaryship. This event gives an opportunity to the students of the department to develop their entrepreneurial skills. It is also an opportunity for the students to gain practical knowledge over the subject Entrepreneurial development. Our students put up various stalls such as lemonade stall, milkshake stall, fruit juices, handmade games, homemade snacks, handmade jewelry, mobile accessories etc.

The Corpshop 2018 was conducted in the **Mar Ivanios hall**. The department collected Rs 100 per stall and all the stalls took back a reasonable amount as profit. This event inculcated ideas in the students to become future entrepreneurs. Various departments were given time slots to come and visit the corpshop. Even the visitors had an opportunity to know how one can become a good entrepreneur. Students had a good time of interaction with their customers. They were also nurtured with knowledge to determine the cost incurred to purchase their raw materials and to add up cost and sell their goodies. This event was highly appreciated by the staff and students of other departments too.

"Finally we have taught our students to fish"
