## A WORKSHOP ON “THEATRE LIMELIGHT”

9th AUG. 2018

A workshop on “THEATRE LIMELIGHT” was conducted on 9th Aug. 2018. Dr. David wesley a research fellow specialized in teaching drama courses including European , Shakespeare , Indian and Australian drama was a resource person. He addressed that the fact that learners may not be confident about their English, or may think that drama is just fun and games. As teachers we are aware that the main aim of this module is to develop students’ language skills – not produce actors or actresses. For this reason we need to carefully structure our lessons so that they have clear linguistic and skills-development aims, and to communicate these aims obviously to students so that are clear on what is expected of them.
