FIESTA 2019
13/12/2019

Cultural activities compliment student's life. It builds confidence and self-esteem. It is an effective way for stress relief, makes them brighter and energetic and is an opportunity to discover hidden talents. Our college helps students to realize what lies within and the life outside. Under the title **"FIESTA" (Shift I AND II)** we conduct our cultural every year. . The Fiesta was based on the theme FIVE elements, literal meaning Panja Poothangal in Tamil In order to provide opportunities to each and every one to develop his/her own personality, the House system is followed in our college. All the students from I Year to III Year are divided into four houses named blue, red, green and yellow. Each house functions under the leadership of a Chairman, who are ably assisted by a Vice-Chairman. The future prospects of the student depend on the opportunities provided to them not only inside the college but also through inter cultural. The Inter Cultural invitations will be displayed in our college notice board so that the interested students can approach us and can grab the opportunities. Hope many more laurels and victories would crown the students of MGC and make the year a much more rewarding one.
