##### REPORT ON DEBATE

Department of Commerce Accounting and Finance organized a debate for III year B.COM A&F students on **ONLINE Vs. OFFLINE MARKETING WHICH IS MORE EFFECTIVE** on 16th December 2021. The debate helped the students to think critically and share their views on the given topic. Two teams with nine students in each team participated in the Debate. One team spoke in favour of online marketing, and the other team spoke for offline marketing.

Debater from the team online marketing said it is a useful method of buying for the new generation and has more flexibility. Advance in technology makes online purchasing more effective. They also contributed by saying many times offline purchasing environment aren't comfortable.

Debater from the team offline marketing said it allows the purchaser and seller for more interaction. Pandemic is one reason where we depend more on online marketing. A people who resides in the remote areas finds it difficult to access online marketing due to poor internet connectivity. The moderator concluded by saying that online and offline marketing has to go hand in hand based on the situation. Abitha and Varun rajan of III B.Com were selected as best speakers from both the team
