MGC responds to COVID 19 pandemic.

Dear MGC Family,

Greetings of the Day!

These are testing times and it is at times like this that we need to stand together as a Nation and help those in need.

We, at MGC, strongly believe that "we cannot help everyone, but everyone can help someone". As a step towards this, a team including the Secretary, Principal, Volunteers from NSS, NCC and the PG department of Social Work has conducted a survey at Nolambur on 7th April 2020. We have identified about 300 families inclusive of children and elderly people, wherein, 90% of them are stranded migrants from Andhra Pradesh, Bihar and Odisha. Thus, they are at a high risk of missing out on Government aids, making it important that these families are safely quarantined in their homes.

MGC has planned to provide food provisions to each household worth Rs. 500 which amounts to a total of Rs. 1, 50,000. As an aid to our fellow citizens, rice, dhal, onions, potato and other basic food supplies will be provided to these households.

This is a novel approach in our neighborhood and we hope to reach out and help as many as we can. With the blessings of our Lord Almighty, let's together as MGC family, support and pray for this mission to reach the unreached of our society.

We encourage your contributions to
